See why ADAM*plus*™ is the right solution for your organization!

All Magnet application documents must be submitted using ADAM, a free, web-based system allowing users to securely store, create, and upload organizational narratives and evidence. With ADAM's document library, multiple users can store and manage documents simultaneously under the same account, streamlining collaboration, file sharing, and document submission.

ADAM*plus* provides all the benefits of ADAM, plus a myriad of features designed to save you and your organization time and resources:

- Guided templates for inclusion of key elements,
- Checklists for each source of evidence (SOE) example,
- The ability to create multiple drafts for each SOE, and
- The ability to enter text directly into the SOE narrative.
- No more time wasted repeating steps.
- Organizations using ADAM*plus* can be confident that their applications are formatted correctly and submitted with all required elements.
- For $16,750 per four-year cycle*, it's a worthwhile investment on your Magnet journey.

**For initial applicants, access is given after the online application for the ANCC Magnet Recognition Program® is approved.*
